Additional information (if any): only for flat flexible cables

A sample of the product has been tested and found to be in conformity with the current HD/EN and equivalent national standard (number and edition):
 ČSN EN 61058-2-1:93+A1:96

as shown in the test report (reference No.): 1.103170-00 of: 20.11.2001

This Notification of Test Results is the result of testing a sample of the product submitted, in accordance with the provision of the relevant specific standard.

This Notification of Test Results has been established by a body which participates in the CENELEC Certification Agreement (CCA) of 11th September 1973 as amended on 29th March 1983. Any other body participating in the CCA will take this Notification as a basis for granting a national mark of conformity or a national approval, as specified in the CCA as long as the standard referred to above is still in force in the country of that body.

This Notification of Test Results may be challenged if it is more than three year old.
